GET THESE Money-making Secrets WITH THE Farm Journal

Is this cock properly held? "Poultry Secrets" tells how to carry fowls, and other secrets far more important.

FARM JOURNAL ("cream, not skim milk") is the great little paper published for 36 years in Philadelphia by Wilmer Atkinson. It is taken and read by more families than any other farm paper in the WORLD. Its four million readers (known as "Our Folks") are the most intelligent and prosperous country people that grow, and they always say the Farm Journal helped to make them so. Their potatoes are larger, their milk tests higher, their hogs weigh more, their fruit brings higher prices, because they read the Farm Journal.

Do you know Peter Tumbledown, the old fellow who won't take the Farm Journal? By showing how NOT to run a farm, Peter makes many prosperous. Nobody can go on reading the Farm Journal and being a Tumbledown too. Many have tried, but all have to quit one or the other.

The Farm Journal is bright, brief, "boiled down," practical, full of gumption, cheer and sunshine. It is strong on housekeeping and home-making, a favorite with busy women, full of life and fun for boys and girls. It sparkles with wit, and a happy, sunny spirit. Practical as a plow, readable as a novel. Clean and pure, not a line of fraudulent or nasty advertising. All its advertisers are guaranteed trustworthy.
